## **SURVEY INFORMATION**

### **List of information on customer's power grids**

- Electricity bill of the nearest 12 months
- Number of shifts, working hours of a shift
- Key diagram
- Specifications : KW, kVA, secondary voltage, impedance of transformer, ratio of transformer, brand, model number and name of transformer position
- Number of motor, voltage and capacity
- Number of speed controller, voltage and capacity
- Number of personal computer, printer and fax machine
- Number and types of electric lamp : fluorescence, metal vapor, low pressure sodium, high pressure sodium, mercury
- Cable cross section and length
  - From rectifier to sub panel
  - From sub panel to main panel
  - From main panel to transformer
- Standby generator
  - Loads of transformer in case of power – cut
  - Capacity of main loads
  - Type of loads, motor, speed controller, welder
  - Single line diagram of this system
